

CODDINGTON LEARNING CENTER

OCTOBER 2024

DIRECTOR'S CORNER

Autumn/Fall temperatures will be here soon! With the cooler weather approaching, please remember to bring jackets and pants to wear under dresses/skirts.

Roper is out the 11th, 14th and 15th this month for fall break.

Children may bring costumes and treats for Halloween on Tuesday the 31st. Please bring the costume in a bag labeled with your child's name, we will put costumes on after snack time and walk around to the other classes and trick-or-treat.

I would also like to remind parents to take home blankets each week so they get washed, this helps prevent illness in the center. Also, a reminder to please have a blanket and pillow that can fit in the large bag that we provide, this helps prevent the spread of lice if we happen to get it in the center

The days we will be closed for the upcoming holidays will be as follows:

Thanksgiving	Nov 28 th & 29 th
Christmas	Dec 24 th & 25 th
New Year's	Jan 1st

Wishing everyone a safe and fun Halloween!!

Jamie

BABY BEES

Hello Baby Bees Families!

Happy October! This month we will try to get outside as much as we can before it starts get too cold. If you don't already have a jacket here would you please bring one for your child. Thank you! We do like to go for walks in the morning while it is still cool.

We will also continue to try to include our littles in our art and sensory. Last month we welcomed our new friend Kiyon he is 6 months

old and we are excited to be a part of his world as well as watching him grow! Happy Halloween on the 31st if you would like for your baby to dress up in a costume the 31st we would love to take a group picture of all the cuties!

We wish Magnus a very Happy 1st birthday on the 9th!

Eryn and Cheyenne

TODDLER TURTLES

We are so excited for October!! With the cooler weather in the mornings please make sure your child has a jacket (we love being outside). The turtles will be working on putting on their own coats by using the flip trick and we will start practicing zipping our coats up! The turtles will also learn

about all things fall; the changing of season, leaves, pumpkins, scarecrows, and Halloween! We will be trick or treating at the center on the 31st; the kids can bring their costumes and change after snack. We will still be focusing on our class room expectations, working together, open hand sharing and will also focus on meal time expectations. We will be practicing serving our food, keeping our belly to the table, and having good manners (saying please/thank you, using spoons, cleaning up after). Happy 2nd birthday to Carly on the 9th!

Amanda and Myka

JUNIOR JELLYFISH

My favorite month is finally here. October is so full of things I could teach on. In October I'm use to teaching outdoors in a Nature classroom. The Growing up wild curriculum helps us learn about spiders and the type of webs they make. Nocturnal animals are a fun one to learn about

CODDINGTON LEARNING CENTER

OCTOBER 2024

Owls and Bats. We explore leaves, crab apples, pine cones, acorns, dissect pumpkins, field corn and the farm.

October 6 - 12 is fire prevention week. We will be going through "Play safe! Be safe!" A multimedia fire safety education program especially for children. Sponsored by Bic Corporation. There are 4 lessons that your child can earn certificates from. Look for the family letters I will send when we start a new lesson. I still need a few parents to let me know what phone number you would like your child to learn in case of an emergency.

While we are having so much fun with this. Your child will be learning to recognize sight words, colors, counting, games, and nature. They have the opportunity to learn more about the 5 senses.

If anyone is able to donate 8 small pumpkins for our science lesson, we will be so grateful.

We will have our Halloween Party on the 31st after snack time! We will dress in our costumes and trick-or-treat around to the other rooms.

We are wishing Bryton a very Happy 3rd Birthday on the 23rd!

Your Junior Jellyfish Teacher,

Mrs. Lori Fielder

month too. As the temperature drops remember to bring your child with the appropriate outwear for recess. This is also a good time to check your kiddos cubby for spare clothes and switch out shorts for pants! We don't have any birthdays this month but we will be celebrating Halloween with a center Trick-or-Treat!

Laura and Emma

SCHOOL AGERS

Welcome to fall! We will continue to have 30 minutes of homework time after snack except for on Friday. Your child/ren can bring something from home on Fridays to play with. This includes electronics if the games being played are age appropriate. We will celebrate Halloween on the 31st after snack. Your child is welcome to bring snacks to pass out as well as a costume to change into, if your child's costume comes with weapons, please leave them at home. Reminder if your child needs to eat breakfast at the center, they need to be here no later than 7:30 on school days. Happy 6th Birthday to Alex on the 2nd and Happy 10th Birthday Addison on the 8th!

Emma and Jamie

SENIOR SNAILS

Hello Snail Families! Happy Fall! I am very excited for the cooler weather and all the upcoming holidays! Last month we learned about space and birds. We also established some very good routines in our classroom and have become more and more comfortable with our rules and schedule. This month we will learn about all things fall! We will also start our five senses unit which will take us into next
